ANNUAL EXAM QUESTION PAPER PREPARATION WORKSHOP

Venue: DIET, Settikarai

Date: 26.02.24, 26.02.24, 27.02.24

Subject: Physical Education

Class: VII-Standard

The first day of workshop started sweetly with a Tamil thaai vaalththu. The DIET principal Dr P. Govinda Prakash inaugurated the workshop. Welcome address was given by Dr N. Indira. Mr. Mayilsamy, Vice-Principal and S.K.Saravanan, Senior Lecturer explained the purpose of the workshop. The DIET principal instructed the teachers that when preparing the questions, they should prepare 80 percent from the textbook and 20 percent to test higher order thinking (HOTS) skills on the question paper. Questions that create unnecessary debates based on caste, religion, language and politics in the question papers should be avoided. The teacher should take additional attention when developing questions based on learning outcomes directly related to the examination program. The District Institute Education and Training Physical Education Lecturer Dr N. Indira was the coordinator of the three-day workshop.

During the first session Dr C.G. Elango, Senior Lecturer discussed in detail to the teachers the lower order (LOTS) thinking skills and middle order thinking skills (MOTs) questions using an example question paper. He explained in detail how to design higher-order thinking (HOT) question papers through power point presentations.

The question paper was developed in Tamil and English language for class VII students. The third term summative assessment questionnaire has been prepared. The question paper was prepared with 80 percent questions from the textbook and 20 percent questions to assess higher order thinking Skills (HOTS). The question paper was prepared for 40 marks. Two sets of Tamil and two sets of English question papers were created during the question paper preparation workshop.
